

# Doheny Happenings

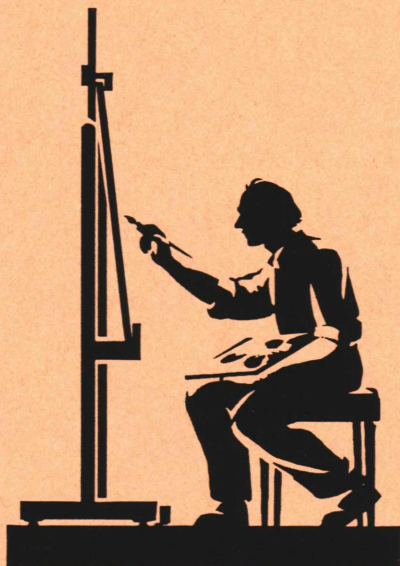

Volume 26, Issue 1

Week of August 26, 1996

## From the Dean's Office:

**WELCOME BACK** to all students, faculty, and staff—and a very special **WELCOME** to all who are new to the Doheny Campus. We are truly happy that you are with us!

I hope to meet each and every one of you this semester, and I urge you to come by and visit me in Building #10 when you have a moment in your busy schedules. If I can assist you in making this a better year for you, I want very much to do so. I am eager to answer your questions, hear your suggestions, and talk about your concerns. All of us—administrators, faculty, and staff—are here to help you make your college experience successful, productive...and **fun!**

Our theme for the 1996-97 academic year is *"Higher Learning at MSMC: Designing A Masterpiece."* We can think about designing a masterpiece in two ways: the first Masterpiece is *you*. As you experience college as a result of the choices you make and the learning that occurs, you are becoming this Masterpiece. The other facet of the design is that you are the *center of the Masterpiece* and have a great impact on the rest of the "picture," affecting everything around you.

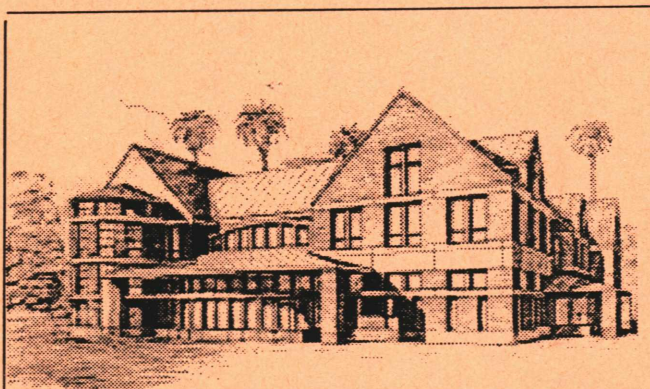

Becoming the Masterpiece means to be and do the *best* we can. Each of us has been gifted by God with different talents and potential, and as you begin your college program you begin to develop those gifts and your potential. We will be talking more about this development throughout the year—in special events and workshops, in discussions in the classroom—and we look forward to helping you create your own Masterpiece.

## Have a Wonderful Year!

### *The Doheny Library/Learning Center*

We will (finally!) begin construction soon on our beautiful new Library/Learning Center. Construction once begun will take approximately 18 months, and we can expect to experience some inconvenience during this period. The area surrounding the construction site (between Buildings 1 and 7 and between Building 2 and the Doheny Mansion) will be fenced off, including the street area; therefore, during construction we will lose several parking spaces on campus, but more than enough parking spaces are available in the AAA parking lot just outside the grounds. We ask for your patience, understanding, and cooperation during the construction period. The new facilities *will* be worth the wait!

# FOR MSMC STUDENTS ONLY!

## SPECIAL DISCOUNTS FROM THE DA CAMERA SOCIETY

Usually, student rush tickets are available only "at the door" on the day of a concert. But as a student of Mount St. Mary's College you can order discounted tickets **one week in advance** to the following concerts. Just come by and visit our office next to the college bookstore (Chalon campus) between 8:30am and 5pm weekdays. Be sure to bring your student I.D.

**10/17/95**      **Tallis Scholars**      **First Congregational Church**      **\$5 (reg. \$18)**  
**3pm**  
**(2:15 Lecture)**      Surround yourself with English Gothic architecture and incomparable sound as England's finest choir performs Renaissance choral works from London's Chapel Royal.  
"Lush sound...Rarely has this listener been so moved and involved" (*Washington Post*).

**1/18/97**      **"Daniel and the Lions"**      **Immanuel Presbyterian Church**      **\$5 (reg. \$18)**  
**4pm**  
**(3:30 Lecture)**      Presented by the *Ensemble for Early Music*. A powerful spectacle — the story of the prophet Daniel, of Darius and Belshazzar, and of Daniel's escape from the lion's den. This musical comedy-drama features singing, medieval music and special effects (the "handwriting on the wall" literally appears before your eyes). "What's the medieval French for 'wow?'" (*Milwaukee Journal-Sentinel*).

**2/9/96**      **Alexander-Clayton-Hamilton Trio**      **Union Station**      **\$5 (reg. \$18)**  
**3pm**  
Renowned Jamaican pianist Monty Alexander joins bassist John Clayton, Jr. and drummer Jeff Hamilton for a jazz concert at this L.A. landmark. Here's "a group with something to say... strong, two-fisted drive and broad sense of color and drama reminiscent of Errol Garner" (*High Fidelity*).

**4/16/96**      **Combattimento Consort**      **Hollywood Roosevelt Hotel**      **\$5 (reg. \$23)**  
**8pm**  
**(7:15 Lecture)**      In its Los Angeles debut, an Amsterdam ensemble serves up a Baroque feast of works by J.S. Bach (Suite No. 2), Rameau (Suite from "Dardanus"), and Vivaldi (Concerto "La notte") in a resonant ballroom. Combattimento's talents and choice of modern instruments "brings new blood to the province of performance practice" (*Fanfare*).

## TRAFFIC INFORMATION

All drivers to the Chalon Campus should approach the campus from **Norman Place** at **25 mph** and exit down **Bundy** at **30 mph**. There have been several complaints from neighbors about speeding since school started and we would like to assure neighbors that our campus takes safe driving seriously.

*Thanks for your help!*

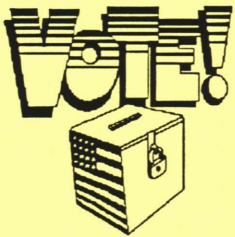

## **From Campus Ministry:**

### **First Meeting:**

Our first meeting will take place on Thursday, September 19, in Bldg. #7, 3<sup>rd</sup> Floor, from 11:15 to 12:00 noon. An overview of the year's activities will be presented. There will be time to incorporate new ideas. *ALL ARE WELCOME!*

### **Voter Registration:**

As you are aware, we are in competition with Mills and Scripps colleges for voter registration. If you have not registered, please do so in the cafeteria at the sign-up table that will be set up from 11:30 - 1:00 p.m. all this week. More than ever, it is important that we participate in the political process. *USE YOUR POWER AND VOTE.*

Those who are ineligible (under 18 years of age by November or are not citizens), please also stop by the table where there will be citizenship information.

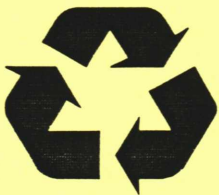

**RESERVE TUESDAY, SEPTEMBER 29, from 11:15 to 12:00 noon** in Donohue Center. The **League of Women Voters** will inform us about the ballot. *Be there!*

### **S.T.A.R.: Students Talk About Race**

The STAR Program will be introduced on our two campuses on **SATURDAY, SEPTEMBER 28** at the **Chalon Campus** from 12:00 noon to 7:00 p.m. **Dr. Jaime Saucedo** will make this time fly by with his lively and informative presentation. Those who attend will be trained as facilitators. They will receive a guidebook so that, in partnership with other facilitators, they can conduct sessions with small groups on both campuses. **ALL ARE WELCOME: STUDENTS, FACULTY, AND STAFF.**

### **Recycling:**

Conscious of preserving our planet, we invite all to be aware of recycling. The bins and boxes around campus are for collectibles: white and colored paper, one side or both, glass bottles, plastics of all kinds, tin cans, and newspapers. Volunteers are welcome! The Recycling Center is located in Bldg. #7 by the kitchen. We are grateful to the Los Angeles Conservation Corps for picking up our recyclables every week.

### **Sacrament Preparation:**

Those interested in receiving the sacraments of BAPTISM, COMMUNION, and/or CONFIRMATION, please pick up the two handouts at the Campus Ministry board and hand in the Information Sheet to **Velvet Martinez** in Bldg. #7 (1<sup>st</sup> Floor). Classes begin in two weeks.

**Check the Campus Ministry Board and the Calendar for activities this month:**  
**AIDS Walk, Visit to Juvenile Hall, Sandwich-making with the Brothers of Charity,**  
**Volunteer Fair, STAR Program, etc.**

\*\*\*\*\*

### **From the ISAE Office:**

Now is your opportunity to become an **ISAE Peer Advisor**. If you have a strong desire to support other ISAE students by helping them with their academic, career, and personal needs, then this is the perfect position for you. This paid position will also look great on your resume and will give you the experience and skills that many employers are looking for. If you are interested, come to the **Career Planning Center** in Bldg. #7 (1<sup>st</sup> Floor) and ask **Susan Crawford** for an application. There are only a few positions open, so come in as soon as possible.

### From Counseling Services:

**Welcome back** to the new school year! The Counseling Center (located in Bldg. #7) is committed to helping students benefit as much as possible from their experience at Mount St. Mary's College. We offer individual and group counseling, as well as educational programs, on such issues as:

- |                 |                       |
|-----------------|-----------------------|
| * Self Esteem   | * Academic Concerns   |
| * Family Issues | * Relationship Issues |
| * Assertiveness | * Stress Management   |
| * Anxiety       | * Depression          |

Certain myths about counseling exist. They include:

**MYTH #1:** "A person who goes to counseling must be weak or crazy."

**REALITY:** Most students who go to counseling are interested in personal growth or are facing normal developmental concerns. Although some students may be dealing with more serious issues, seeking counseling is actually a sign of strength and self care.

**MYTH #2:** "If I go to counseling, I'm afraid it will become part of my academic record or my family/friends will find out."

**REALITY:** Counseling is confidential and will not be noted in your academic record.

**MYTH #3:** "I can't afford the \$100 fee."

**REALITY:** Counseling services are free of charge for all students who have paid their MSMC Health Center fee.

To make an appointment, or for additional information, please call (213) 746-0910.

*Best wishes for a successful year!*

### **REGISTER YOUR OPINION BY VOTING** **HORIZONS DAY FEATURES BALLOT MEASURE**

Do you have strong feelings about the California Civil Rights Initiative? Do you prefer one presidential candidate over another? Your opinion won't matter unless you *vote*.

MSMC is kicking off a **voter registration campaign** in order to encourage students, faculty, and staff to vote November 5, and the goal is to have **100% of eligible campus voters registered by November 5**.

In order to motivate the campus community to participate, a competition has been established pitting students against the faculty/staff to see who can increase their percentage of voters more before the deadline of **October 7**, when all California voters must be registered.

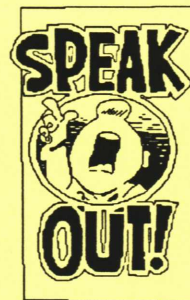

Additionally, the entire MSMC campus has challenged the two other California women's colleges, Scripps in Claremont and Mills in Oakland, to see which school can get closest to 100% registration of its students, faculty, and staff.

All MSMC faculty, staff, and students are asked to fill out the one-question registration surveys (red for students, blue for faculty/staff) distributed at Orientation, Convocation, and other gatherings. Mail the cards to Campus Ministry, Doheny Campus, or drop them in boxes at either Student Activities office. The responses from this survey will let us know our starting point.

To register to vote, stop by voter registration tables that will be set up on both campuses, or call Campus Ministry on either campus. After registering, pick up an "I REGISTERED!" card from Campus Ministry and return it immediately so that we can tally your participation. Those who aren't eligible to vote can obtain citizenship information at Campus Ministry.

If you aren't sure how you stand on all the ballot measures, you should attend **Horizons Day, September 25 in the Campus Center of the Chalon Campus**. Not only will The Circle be filled with tables of information on the measures, but the key presentation will be a **town meeting** on the California Civil Rights Initiative. The speakers will be **Carolyn Webb de Macias**, Chief of Staff for Los Angeles City Councilman Mark Ridley-Thomas; **Laurie Levenson**, Associate Dean for Academic Affairs at Loyola Law School; and students who will discuss the issue from all angles. Questions from the audience will be encouraged.

According to **Gail Gresser**, Director of Campus Ministry, political participation is applauded by the Catholic Church which believes it is the responsibility of all people to participate actively in community life, including the political process.

For more information about voter registration, call Campus Ministry (Ext. 2152 at Doheny, Ext. 837 at Chalon). For more information about **Horizons Day**, call **Pam Haldeman** at Chalon Ext. 157.

### From the Music Department:

The music includes some old familiar Christmas carols and a jazz medley including "Sleigh Ride" and others. We will also be singing for some of our school liturgies.

*Don't be shy! We need you!* Rehearsals are on **Tuesday** and **Thursday** at **1:50 p.m. in the Lecture Hall**. Come early and meet our new director, **Frank Alleruzzo**.

FROM THE DEAN'S OFFICE:

## STEP/MID-SEMESTER NOTICES

Please give **STEP (Early Warning) Notices** to any student who is having any type of difficulty in your course--absenteeism, poor preparation, missing assignments, etc. *The student does not have to be failing at this point*, but a STEP Notice alerts her that she is in danger of doing poorly. STEP Notices have been very effective in motivating students. It also gives the instructor an opportunity to talk to the student and direct her to means of assistance.

**Mid-Semester Notices** should be issued after mid-semester (following Mid-Semester Break, October 18) if the student is in danger of getting a "D" or "F". If given in time, the student often will study harder and pass the course successfully. If the student is doing passing work at mid-semester and then does failing work, please give either a Mid-Semester or STEP notice at that time. The information the instructor puts on these notices assists both Advisors and the Dean in counseling students and in making decisions regarding probation and disqualification.

Thank you for your cooperation in this very important matter!

### **Christmas Fair at Doheny**

The annual Doheny Christmas Fair - - a time when those in our midst with items to sell have the chance - - is scheduled for Monday and Tuesday, Dec. 2 and 3. We will plan to hold it from 11 a.m. - 1:30 p.m. each day in front of Ahmanson (weather permitting!).

For your information, we welcome all kinds of items: homemade, Christmas, food, cards, decorations, clothes, jewelry, white elephants (wonder?), and just about anything you might want to sell. If you'd like more information, pick up an application from the 48 Hour Board in Bldg. 4 or see Sr. James in Bldg. 10. The more to sell, the more fun we have.

P.S. Those who are not sellers, please start saving your money so that you can purchase some of these items for your Christmas gifts, etc.

- ✿ Don't feel guilty if you eat cakes or chocolates occasionally.
- ✿ Eat 3 small meals a day rather than 1 or 2 large ones.
- ✿ Choose low-calorie snacks.
- ✿ Cut down on alcohol.
- ✿ Eat more slowly.
- ✿ Use a smaller plate; it will look full with less food on it.
- ✿ Don't feel you have to finish all the food on your plate.
- ✿ Avoid eating large meals late at night when you cannot 'burn' off calories with exercise.
- ✿ Prepare food that looks attractive.

### **Contest Reminder:**

In the courtyard of our new *Sister Magdalen Coughlin Learning Complex* we have planned a lovely fountain. Around the inside of the fountain we envision a meaningful quotation. We invite anyone who wishes to submit a quotation to do so. It should be short, reflective of the mission of the Complex and of the mission of the Mount. **Sister Joseph Adele** has agreed to be Chair of the Selection Committee along with ASB President **Holly Charton**, **Bernadette Robert**, and **Sister Rebecca Doan**, former President of Mount St. Mary's College. This Committee will select three quotations and recommend them to the Administrative Council, who will choose the quotation to be engraved in the fountain.

Please submit your quotation to Sister Joseph Adele in the designated box at the Switchboard, or mail your quotation to her *by November 4*.

## From the Dean's Office:

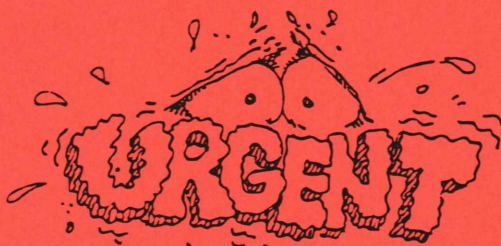

Please encourage faculty, staff, and student workers to eat in the dining rooms in Ahmanson Commons. An important emphasis at the College is **building community**, and one way we do that is eating together. If there is a need to eat in the offices, please don't leave food in the buildings overnight, but take leftovers and food containers to outside trash cans. Old buildings attract pests and the less food we leave around, the fewer problems we will have.

Thank you for your cooperation.

## Emergency Transportation:

On very rare occasions we have had a student with a health emergency who needs transportation to a nearby health facility. If your automobile insurance covers your transporting students, and if you would be willing to be called on in an emergency, would you please fill out the

## From the Dean's Office:

**Thank You!**

To all those who made this year's "Haunted Campus" such a howling success!! **Sr. Angela** and all of her **Doheny student organizers** did a marvelous job in making this the best Halloween ever. We also are tremendously grateful to **Dr. David Leese** and the **Business Management Club (Bertha Rodriguez, Chair)** for all the terrific and "terrifying" decorations to Bldg. 22, and to **Emily Langdon** (Director of Student Activities, Chalon) and the **Chalon students** who joined in the decoration of Bldg. 10. All of the Chalon students remained "on duty" to assist in this event and truly helped make it all happen.

To each and everyone of our Doheny students, faculty and staff who decorated the houses, planned the games, organized the publicity, donated and collected over 800 pounds of candy (!), and performed all the "behind the scenes" work. *We love you* and are **extremely proud of your success**. You all did a **great job** in bringing a safe Halloween to our neighborhood children.

\*\*\*\*\*

During this period, instructors will be issuing **Mid-Semester Notices** to students who are not achieving a "C" or better in their classes. Notices are given at this time so that students have the opportunity to improve their performances. Instructors will assess the cause of the difficulty and will recommend that students make use of assistance available on campus: the instructor, the Learning Resource center, tutors, and study groups.

**There is still time to improve your grades before the end of the semester!**

\*\*\*\*\*

## From the Associated Student Body:

A.S.B. wants to thank everyone who participated in the Halloween Haunted Campus; it was a huge success!

Special thanks to **Sister Maria Angela Mesa** who works so hard to make our Halloween so much fun!

## **From Campus Ministry:**

Thank you to all who made Halloween such a success. It was wonderful to see all the children enjoy themselves. We truly outdid ourselves in extending our hospitality. "When you do anything for the least of my kin, you do for me" (Matt. 25:40).

### **Bishop Blaire Celebrates Liturgy:**

On Tuesday, November 5, Bishop Stephen Blaire will celebrate Mass at 5 p.m. in our college chapel. After Mass the Bishop will have dinner with the Confirmation class in the dining room. All are welcomed.

### **Get Out and Vote:**

Tomorrow, Tuesday, November 5 is **Voting Day**. When the League of Women Voters came, we, the college, were presented with a beautiful plaque signifying that we had registered more voters than either Mills or Scripps colleges. We are proud of our campaign; let us not stop there. Go to the polls. Addresses and directions for the two polling places in the area will be posted on the Campus Ministry board.

### **Juvenile Hall:**

On Saturday, November 23, there will be a Thanksgiving Party from 12 noon to 4 p.m. Anyone wishing to go, please bring punch or cookies or a small tube of toothpaste or deodorant (cream or roll only). You may sign up at the Campus Ministry board.

### **November the month of Holy Souls:**

We will remember all our deceased loved ones throughout the entire month at Mass times. Please come in and sign in the loved one. Thank you.

### **New Mass Schedule:**

Starting this month, we will have Mass at the following times: Monday at noon, Wednesdays at 7:15 a.m., Thursdays at 5:15 p.m. and Fridays at noon. Check the Mass schedule outside the chapel doors; there are exceptions. **Everyone is invited to any of these celebrations.**

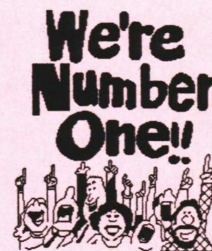

## **From The Public Relations Department:**

### **Mount St. Mary's College Wins Voter Registration Competition**

With 90 percent of students registered to vote, Mount St. Mary's students have won the first ever voter registration competition among the three California women's colleges.

"I feel that the competition was quite successful in raising awareness of students about the importance of voting and encouraging students and faculty alike to get registered. Now we need to follow through and get to the polls on November 5<sup>th</sup>!" said Pat Disterhoft, assistant professor of education and chair of the competition. "In 1992, only 43 percent of 18-to-24 year olds voted in the national election, so we were trying to combat apathy in young voters with this competition," she added.

Numerous MSMC students registered to vote because of the competition and availability of voter registration forms on both campuses. Sr. Maria Angela Mesa, director of Campus Ministry at Doheny and survey coordinator, said seven students who had been ineligible to vote because they were not citizens, applied for citizenship during the registration competition.

Of the 489 MSMC traditional day students who responded to an anonymous survey, 355 were registered to vote, 40 were not, and 94 were ineligible. At Scripps College in Claremont, 75 percent of students who responded to a survey were registered to vote, and at Mills College in Oakland, the percent of registered voters was not tallied, but 200 new voters were registered.

The competition comes at a timely point in history- - 1996 marks the 25<sup>th</sup> anniversary of the 26<sup>th</sup> Amendment to the Constitution granting 18 year olds the right to vote.

Winning the competition means that Mount St. Mary's receives a plaque that will be held at the college until the next major election and subsequent competition.

## From The Fitness Education Department:

On Sunday, October 27, Mount St. Mary's College participated in the annual Hunger Walk in West Los Angeles. About 600 supporters joined the 3-mile walk. The donations made by Mount St. Mary's ranked 3<sup>rd</sup> place out of all the supporting companies.

The goal for the Westside Food Bank and Extra Helpings Westside was to top last year's donations of \$40,000 used to help the local food agencies. This year's donations were especially crucial because of the welfare reforms and cuts in food stamps. The local agencies need to be fully supplied to help feed the poor and even now, people are being

turned away because there is not enough food. The battle on hunger has been excruciatingly difficult because every year there are more people to feed.

It was encouraging to see so many young people participating. For example, a three-year-old girl wearing a blue "Hunger Walk" T-shirt walked proudly beside her parents. The youngest participant at the walk was a six month old baby in a stroller. Witnessing how many people care about other less fortunate people of Los Angeles is proof that there is hope for the future.

\* \* \* \* \*

**Special Reminder:**

The Heart Walk will be on November 17<sup>th</sup>; please sign up if you have not already done so.

## **How much exercise is enough?**

According to HEALTH magazine, even minimal exercise provides health benefits. But women who want more than bargain-basement fitness will have to go beyond a daily brisk walk. Women who run as much as 86 miles a week have a higher level of HDL (good cholesterol). Higher HDL levels reduce the risk of heart disease. Health benefits can be obtained through moderate activity, such as walking briskly for two miles five days a week. For infrequent exercisers, this may be enough. Heavy-duty exercisers may have to step up their routine to achieve high benefits. For those exercise addicts, women who carry exercise to extremes are at risk for problems- -menstrual irregularity, infertility, loss of bone density, and musculoskeletal injuries, that may outweigh benefits. **Stay fit!**

## From the Dean's Office:

The Doheny Campus was the site of a recent computer training session sponsored by the **Riordan Foundation**. In our IBM lab, with computer systems provided to the Doheny Campus through funding by Mayor Riordan's foundation, LAUSD teacher trainers (the "teachers of teachers") went through a four-day in-service here, and also experienced the welcoming atmosphere of Doheny faculty, staff and students. **Mayor Richard Riordan** [pictured with **Sister Kathleen Kelly**, right] was on campus

## From Campus Ministry:

Tuesday, November 19, there will be a Campus Ministry meeting in Bldg. 7, from 11:30 a.m. to 12 noon. Some items on the agenda will be Thanksgiving Liturgy, food and clothes drive, preparation for Advent, etc.

**All are welcomed.**

## Food and Clothes Drive:

There are many places in the world where people, especially children, go to bed hungry. We've heard this many times. Let's challenge ourselves to go to bed hungry just once so we can get in touch with what most of our global family experiences. Please be generous in donating clothes and non-perishable food. Boxes are around the campus, or you can bring your goods to the lobby of Bldg. 7.

We're adopting families from our Child Development Center and from St. Vincent's parish, so we are in need of help in sorting the clothes and getting the baskets ready. We will work on this project every afternoon from 3 - 5 p.m. Please come to Bldg. 7 and contact Velvet.

### **AIDS Presentation:**

When Mr. Gary Martin, from the AIDS Service Center, came to the Volunteer Fair, he remarked that out of five colleges he visited, our campus was the best informed about AIDS. He will present additional facts about this timely issue. Since women of color are the group most at risk, it would be a good investment of your time. All that are participating or want to know more about the Posadas AIDS Walk, come Thursday, Nov. 21, at 11:15 a.m. in Donohue.

### **You Visited Me...**

Just a reminder that we will go to Juvenile Hall on Saturday, Nov. 16, from noon to 4 p.m. We will leave at noon and return about 4:30 p.m. Don't forget cookies or punch or toothpaste or deodorant.

Thank you to all who helped in the bread-making, who made and distributed sandwiches, who went to Juvenile Hall, and who participated in the many Campus Ministry Activities.

### **Advent Prayer Service:**

Advent is the first season of the Church Year during which Christians have the opportunity to prepare a place for the Christ Child to be born. Keeping this in mind, we hope our Christmas activities will take on a joyous spirit of giving. This giving is not limited to physical presents but to a genuine spirit of being generous with our time, talents and self. Please join us in a brief Advent prayer service on Tuesday, December 3, at 5:15 p.m. in the College Chapel.

### Women Martyrs:

Please join us in commemorating the women martyred in El Salvador 13 years ago. Why, you ask, are we still remembering them? By holding this prayer service, the Peace and Justice committee is raising our awareness that people are still being oppressed, tortured, murdered and humiliated. Please join us in prayer as we unite with our brothers and sisters who are suffering unjustly all over the world.

### What Does The Student Health Office Provide?

1. Vaccinations and TB Skin Tests. In a few weeks, we will be offering vaccinations and TB Skin Tests on this Campus whenever the office is open. In other words, monthly vaccination clinics will no longer be needed since you will be able to just make an appointment and get it done. Big change from last semester! (Vaccinations include Hepatitis B, MMR, and Tetanus.)
2. Health education and programming at least once a month. For example, we have a fabulous presentation scheduled for Thursday, January 23, 11 a.m.- 12:00 noon in the Donohue Center, on "Sexually Transmitted Diseases." Don't miss it!
3. We have many over-the-counter medications available to you at no charge; i.e. Tylenol, Throat Lozenges, Advil, etc.
4. First Aid Care is available. I am a Public Health Nurse, as well as a certified Basic Life Support and First Aid Instructor approved by the American Red Cross and American Heart Association. CPR and First Aid courses can also be arranged if needed or desired.
5. If you need to see a health care provider, i.e. M.D., I will provide the referral and give you the necessary information. Referrals are made to USC Student Health Clinic or Chalon Student Health Services, depending on insurance coverage, etc.
6. If you need psychological or personal counseling, I can make that referral as well. **Dr. Robynne Rudin** is the counselor for this campus, and she is wonderful and is here to help you.
7. We have a wide variety of health literature in our office on numerous topics. Please come and ask for them. I can also help you with your health/ nursing papers or projects.
8. Pregnancy testing is available for only \$5.00. Most everything in the student health office is free to you except for some vaccinations, i.e. Hepatitis B, lab tests, etc., which are at a normal fee.

Please stop by to meet me or call with any questions or concerns you have. I look forward to helping you.

- Are you extremely hard on yourself?
- Do you feel that you have to be perfect all the time?
- Are you afraid to let people get too close?
- Do you feel that if people knew the "real you," they wouldn't like you?
- Did you feel like you had to "walk on eggshells" growing up?

- Do you put everyone else's needs before your own?
- Do you frequently feel as though you've done something wrong?

## **FROM THE PUBLIC RELATIONS OFFICE:**

### **STUDENTS CAN DESIGN THE COLLEGE CHRISTMAS CARD FOR 1997!**

Only 300-plus shopping days until Christmas 1997! Here's a way to hold on to your Christmas spirit for another month or two and earn some extra money.

Each year Mount St. Mary's College administrators and faculty send out official campus Christmas cards which are usually purchased from a catalog. But the College would like to make the cards more personalized to the Mount this year.

For the 1997 card, students are invited to compete in the first MSMC Christmas Card Design Competition this spring semester. A prize of \$50 will be awarded to the winning designer/artist. The name of the student and description of the artwork will be included on the card itself, the student will receive a free set of the cards and the winner will be announced in the Mount St. Mary's College magazine and other campus publications.

Submissions will be judged by **Sister Karen Kennelly**, President, **Jill Perry**, Public Relations Director, and other selected faculty, administrators and staff.

"I know we have some very artistically talented students at the Mount and it would be wonderful if we could showcase their artwork in this special way," says Kennelly who mails the cards to the College's regents, trustees and major donors.

***The deadline for entries is March 27.*** Submissions should be sent to Jill Perry, Box 116, Chalon Campus, or can be delivered to Perry in Rossiter Hall, second floor.

The card size should be one of three standard sizes: 5 ½ X 4 ¼ folded, 6 ¼ X 4 ½ folded, or 5 X 7 folded.

The design of the card should be reflective of the holiday and of the College's Catholic nature, either in a subtle or prominent way. Photographs, line drawings, woodcuts, oil paintings, watercolors, computer graphics or any other media can be used. The original design can use images of campus or spring from your own imagination. The College will coordinate the printing of the cards, which usually number 850.

"If you would like to use an image of campus, try to incorporate scenes of both campuses," said Perry. "Alternatively, you may find that there is an image on one campus that represents the Christmas spirit all by itself, which is fine. We are just eager to see the creative results of students' talents."

If you have any questions about the competition, call Jill Perry at (310) 471-9537 or Jody Baral, art department chair, (310) 471-9859.

## **FROM CAMPUS MINISTRY:**

### *Healing Prayer Service*

Bernadette was the sickly child that Our Lady appeared to in Lourdes, France, many years ago. With the waters of the miraculous spring, Bernadette and many hundreds of people have been cured not only of physical ailments, but of emotional and psychological sicknesses. Please join us on **TUESDAY, FEBRUARY 11, from 5:15 to 5:45 p.m.**, in the Chapel for a **HEALING SERVICE**. You can pray for yourself or for others in this suffering world.

### *Ash Wednesday/Lent*

Ash Wednesday ushers in the Church season of Lent, a time of preparation for Easter. These six weeks commemorate the 40 days that Jesus fasted in the desert. It was observed as a time to "give up" some favorite food, thing, or activity. In the Church's history, Lent became a time to accompany/pray for those preparing for Baptism and other sacraments.

Now, because Easter is the celebration of life, we focus on good actions to enhance our quality of living. Please join us in the **Ash Wednesday Mass** at 5:15 p.m. in the **LECTURE HALL**. Check out Campus Ministry's board for services at St. Vincent's and the College.

### *Valentine's Project*

Campus Ministry is inviting the 1<sup>st</sup> grade from St. Vincent's/ECE to make Valentine's Day cards for the inmates at Juvenile Hall. We are asking for volunteers to help the children with their art at 2:00 p.m. in Donohue Center. Please come and participate. Sign up at the Campus Ministry Board.

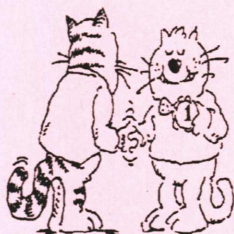

### *Dinner For The Men At St. Vincent's Shelter*

St. Vincent's hosts a place for homeless men. Various organizations and families take turns serving them. WE will prepare dinner for the men on **Thursday, February 13**, in the Mansion from 5:00-8:30 p.m. Please sign up at the Campus Ministry Board.

**FROM THE STUDENT HEALTH OFFICE:**

- I would like to thank all the students that attended the Breast Cancer presentation on Thursday, January 30<sup>th</sup>. I hope you enjoyed it and have become motivated enough to start doing your own monthly "Breast Self-Exams" (BSE). For those of you who were not able to come, I have in my office a variety of pamphlets, and shower displays of the Breast Self-Exam procedure, including breast models you can practice on. The health resources I have are for *you*, so please stop by and get them.
- On Tuesday, February 11<sup>th</sup>, come and join Stella Wohlfarth, your campus nurse, for lunch outdoors (if weather permits) by the picnic tables at Ahmanson Commons (Bldg. #11). This is a wonderful opportunity for you to ask questions about any health concerns you may have in an informal setting. I will be serving pizza to all that come early. For those of you contemplating a health major, come and speak with me. I will share with you my personal experiences. I have some fun games planned, too! So please come to "Dine and Rap" with me on Tuesday, February 11, from 11:00-12:00. I hope to see you there!
- I have been seeing many students with COLD and FLU symptoms in my office. Remember that colds and flu are caused by viruses, and antibiotics will not work to treat them. One of the best defenses we have is frequent and thorough hand washing throughout the day with warm water and soap. Most germs are spread from direct contact, so avoid touching you mouth and nose as much as possible.

If you have any questions or need to schedule an appointment to see me, please call (213) 747-4051.

**FROM THE PUBLIC RELATIONS OFFICE:****Donate a Patch Now to Create a Quilt for Siena Day**

Make certain that you are remembered at the Mount for decades to come by donating a piece of cloth to quilts that will be created for each campus of Mount St. Mary's College in preparation for **Siena Day 1997**.

Siena Day, an annual All-College event at the Doheny Campus that is both festive and educational, will take place on **March 19**. The deadline for patches is February 14.

The Siena Day theme is "**Quilting Our History**," and activities will illustrate how women have used quilting to communicate or commemorate political beliefs, historic events, and family celebrations throughout history.

To remember this Siena Day, every member of the College community is asked to donate one 4-inch square piece of 100% cotton cloth. The patch should be hand delivered to the Student Activities Office on your campus where you will sign a register of patch donors. The list of patch donors will be reproduced on the back of the quilt. If your patch can't be hand delivered, send it in an envelope to Student Activities directors **Emily Langdon** at Chalon or **Maria Lyons** at Doheny along with your signature on a plain white piece of paper.

The quilts will be displayed on Siena Day and on each campus later. If you have any questions, call Emily Langdon (310) 471-9533, or Maria Lyons, (213) 746-0450 x2151.

# Doheny Happenings

Volume 26, Issue 25

Week of March 17, 1997

## **Siena Day Stitches Together Quilting and Empowerment:**

Quilts have traditionally been used as a method of communication for women, and Mount St. Mary's will honor that tradition at Siena Day 1997. "The Art of Women's Voices: Quilting Our History" will include theatrical skits and exhibits in which students, faculty and staff can explore this tradition, beginning at 11:30 a.m., March 19 on the Doheny Campus.

The day will begin with lunch on the South Lawn and an exhibit of quilts. The children from the Child Development Center will have a parade and carry the quilts they use at nap time. The Center for Cultural Fluency will display books and resources related to quilting traditions in the U.S. and other countries.

"Siena Day celebrates women's accomplishments and highlights a fundamental way women have expressed their opinions through the arts. Quilting is a remarkable example of personal, social, and political expressions," says **Dr. Pam Haldeman**, chair of sociology and co-chair of Siena Day with **Sister James Marien Dyer**, Nursing adviser and History instructor.

The quilts being created for each campus from material donated by faculty, staff and students will be displayed. These quilts are also being incorporated into the **theatrical skits** beginning at **1 p.m. in the Lecture Hall**. They will be the thread that connects the five skits on women's empowerment. As each group of students, alumnae, parents, or faculty completes a skit, a quilt will be handed to the next group to begin their skit.

All individuals are invited to bring quilts. If you have a family quilt or a quilt you have made, deliver it to Velvet Martinez in Student Activities at Doheny before 9:30 a.m., March 19. Prior to March 19, call or write her a note with a description of the quilt pattern, its history and your name, so that cards can be printed for each displayed quilt. She is at Ext. 2660.

### **Please Note:**

Classes on the Chalon Campus will be canceled from 10:20 a.m. to 3:30 p.m., and Doheny classes will be canceled from 11:30 a.m. to 2:50 p.m. Shuttles from Chalon to Doheny will be offered at 10:30 and 11:00 a.m., and shuttles to Chalon from Doheny will be offered at 2:45 p.m.

Siena Day is an annual all-college event at the Doheny Campus that is both festive and educational.

## FOR YOUR INFORMATION:

### *ANNUAL SPRING BLOOD DRIVE!*

Circle Wednesday, April 9, on your calendar today. That will be the date of our Annual Spring Blood Drive here at Doheny. We usually have a better turn out at this time of year since most of the colds and flus have disappeared. Keep healthy and be sure to sign up for an appointment to save time.

If anyone would like to help with the drive by recruiting donors or working that day with the Red Cross, please see Sr. James as soon as possible. (Bldg. 10, Off. 26)

### *GRADUATION FAIR*

This is the week of the BIG EVENT – the start of preparations for the end-of-the-year events. On Wednesday and Thursday, March 19 and 20 from 3:30-5:30 in front of Ahmanson Commons, we will be giving information on the celebrations, taking measurements and orders for caps/gowns, ordering your invitations, checking grad lists, etc. These are **very important** items as you prepare for the special Class of '97 Days! Plan to bring your checkbook, cash, or credit cards to take care of the ordering – or plan to make arrangements with Jostens. (We are placing this event later in the day in order to catch graduates from all programs – Associates, Masters, and HOPE program. Thanks for your cooperation with this.) If anyone cannot participate, please see Sister James and we can make some other arrangements for the next week.

### *ANYONE IN A VOLUNTEERING MOOD?*

We could use some help for the upcoming campus events: the Blood Drive on April 9, the Graduation Fair on March 19 and 20, and the Alumnae Easter Egg Hunt on March 22. If anyone is interested and has some time to spare those days, please see Sister James Marion as soon as possible. Your help will be greatly appreciated.

## ATTENTION GRADUATING STUDENTS:

If you have borrowed a Federal Stafford Loan (Subsidized or Unsubsidized) at any time during your education at Mount St. Mary's College, the federal government requires that you attend a Loan Exit Interview before you graduate. We will hold these interviews in a group workshop format with local lenders participating to answer your questions. In these sessions, you will receive information on the total amount in loans you personally have borrowed, whom you must repay, what your approximate payments will be, and all kinds of other useful information pertaining to transferring to other schools, deferments, etc.

It is mandatory that you attend one of the workshops, so please accommodate your schedule to participate at either campus. Failure to attend a workshop may result in a withholding of your transcripts needed for graduation.

Thank You!

All ISAE students who will be transferring to the Chalon campus next semester AND candidates for A.A. or B.A. degrees in Winter 1996 or Spring 1997 are eligible to attend this memorable event.

All eligible students will receive an invitation in the mail within the next week. If you are eligible and do not receive your invitation, please stop by the ISAE office. All eligible students interested in attending this event must RSVP as soon as possible. You may RSVP by calling (310) 954-4140. If you meet the following requirements and have a strong desire to support other ISAE students, we would like to talk to you.

## TRANSFER OF CREDIT CLEARANCE

SUMMER SCHOOL: If you are planning to attend a Summer School other than MSMC, you need to do several things before registering for your classes.

1. Decide what you will take and where you will take the class(es). Ordinarily a student does not take more than 6 units in summer.
2. Verify that those courses will be given by obtaining a Summer School Schedule from the college. At many colleges you must do the student enrollment before you are able to register for classes.
3. Get a TRANSFER OF CREDIT CLEARANCE form from the Registrar's Office /Advisement Center. Check the policy regarding taking classes elsewhere, after enrollment in MSMC (current catalog p. 44).
4. Check with your Advisor/Advisement Center to be sure that the courses are TRANSFERABLE to MSMC and SATISFY what you intend to do. If you are taking two classes, you may indicate both classes on the same form if they are taken at the same college.
5. Before bringing the form to the Advisement Center, make sure you have all of the necessary signatures. Be sure you do the paperwork BEFORE you enroll in a class off campus. Until the form has been completed, reviewed by the Director of Advisement, and signed by the Dean of the Campus, you cannot be sure that the course is approved.
6. If you cannot complete the necessary paperwork before May 9, you may do so when the information is available. If you need to do your paperwork after May 9, please be sure to phone and confirm a time to meet with your advisor and/or Sr. Therese before coming on campus.
7. You will find a practice sheet for the TRANSFER OF CREDIT CLEARANCE on the back of this page.
8. After completing the course, the student MUST request that an official transcript be sent to the MSMC Registrar's Office. No credit will be given until the transcript is received.
9. If you decide not to take the course, please notify your advisor and the Registrar's Office. Thank you.
